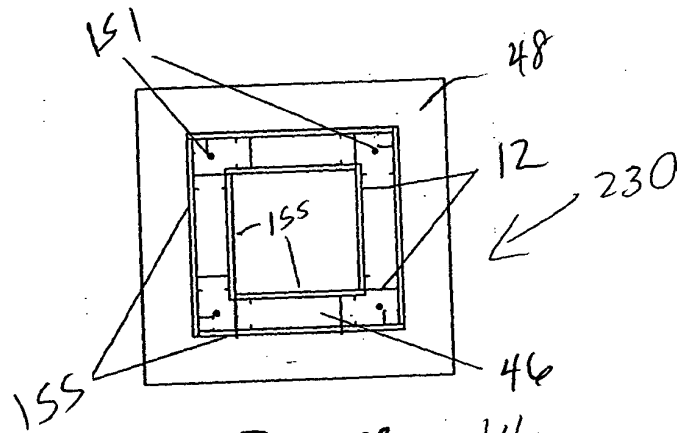

Figure 14

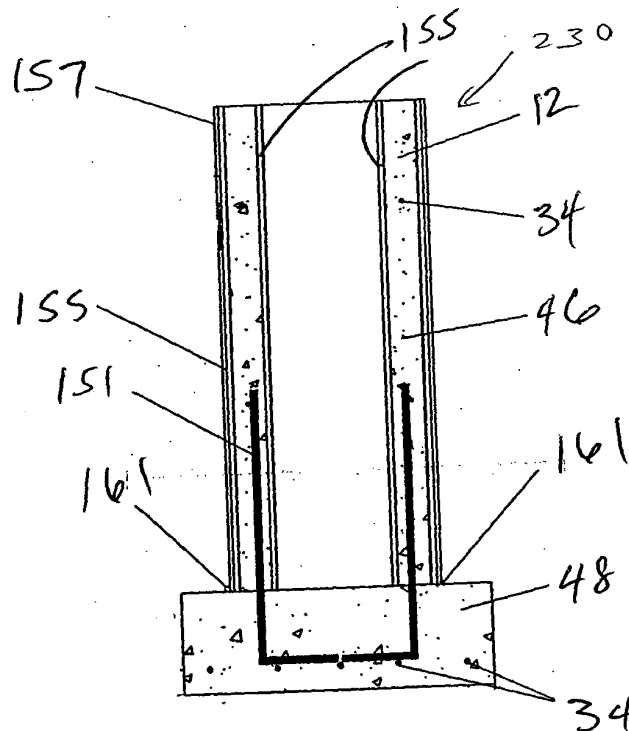

Figure 15

A hand-drawn schematic diagram of a mechanical assembly. The diagram includes the following labeled components and features:

- 250**: A large arrow pointing towards the top-left corner of the assembly.
- 254**: A curved line on the left side, possibly representing a spring or a guide.
- 252**: An arrow pointing towards the lower-left vertical structure.
- 260**: A vertical rod or pin passing through the center of the assembly.
- 268**: A horizontal line or surface on the right side.
- 280**: A small circular feature near the center-right.
- 264**: A curved line or path near the center-right.
- 32**: A horizontal line or surface on the right side.
- 34**: A horizontal line or surface on the right side.
- 46**: A horizontal line or surface on the right side.
- 12**: A horizontal line or surface on the right side.
- 38**: A horizontal line or surface on the right side.
- 36**: A vertical structure on the left side.
- 270**: A wavy line at the bottom, possibly representing a base or a fluid surface.
